

# URGENT WARNING

**YOUR Life AND the Lives of Your Local Firefighters are at Needless Risk**

Government scientific data proves the **type** of smoke alarms in the majority of homes, whether new or old, battery or hard-wired, are dangerously defective (even though they may go off when you are cooking or taking a shower).

Visit The World Fire Safety Foundation's website and find out what you can do to *properly* protect the lives of your family **AND the lives of your local firefighters - NOW!**
